## **EXPECTATION**

**Time Commitment:** NTLL expects that Manager Applicants understand the time commitment that it takes to manage a team. In addition to games, there are practices, paperwork, phone calls, interacting with parents, equipment responsibilities along with a myriad of other issues that come up during the season. Please make sure that your personal and work schedule will allow you to take on such a commitment. **Also, please note that the 1st place teams in Minor and Major participate in TOC through the District and will extend your season past Closing Day.**

**Philosophy:** As a NTLL Manager, you are entrusted with our league's youth. As the Manager, you will be placed in the most important and visible leadership position within our league. Players will look to you for **direction** and **encouragement**. Parents will be entrusting you with their most precious possession. As the Manager, you may be faced with difficult choices. Some may pit the natural desire to win against maintaining an atmosphere that is mutually beneficial to **all** children. Other times, you may be challenged to demonstrate respect for the judgment and authority of the umpire. It is important you do so in order to instill in your players a respect for authority of adult leaders in the league. Regardless of the challenges you face, **you**, as the leader, have to always have the long term interest of all children involved in mind.

**Conduct:** Each Manager and Coach are required to abide by the NTLL Code of Conduct. As a part of the application process, each applicant is required to re-affirm his commitment to the Code of Conduct in writing. Please visit [www.northtorrancelittleleague.com](http://www.northtorrancelittleleague.com) to review a copy of the NTLL Code of Conduct.
